

Community Contribution Committee Application Guidelines

Mission

To provide state-of-the-art healthcare with integrity to the people we serve.

Northeast Alabama Regional Medical Center welcomes the opportunity to participate in opportunities that fall within our Mission Statement and focus our charitable contributions on:

- Support and promote RMC services (heart, cancer, diabetes, pulmonary disease)
- Promotion of healthy lifestyles
- Supporting the community
- Improving education

Criteria

- Project is within the RMC service area.
- The project addresses needs in one of the above areas.
- The project will have lasting value in the community.
- RMC may publicize its support of project submitted.

Please allow up to 60 days for our response to your request. The review committee meets during the months of **February, April, June, August, October and December.**

The Community Contribution Committee must work within the boundaries of the RMC budget.

To learn more about Regional Medical Center, you may visit our website at www.rmccares.org.

Governing body and do they approve program/project. Explain their support.

Describe your request and the impact you expect it to have on our community.

Total Request \$ _____

Why RMC should consider participating.
