# Giving that *Equips.*

Your donations help arm our caregivers with the resources they need to save and improve lives every day. From the ambulance to the operating room, your support funds critical equipment and innovations that make rapid, effective care possible.

## **MyoSPECT Molecular Imaging Camera**

“The RMC Foundation’s generosity made it possible to add the MyoSPECT Molecular Imaging Camera, transforming cardiac studies with faster scans, clearer images, and a more comfortable patient experience—all while keeping advanced care close to home.”

## **Chapel Renovation**

Foundation support helped renovate the RMC Chapel, creating a refreshed space for prayer, reflection, and comfort for patients, families, and staff. Completed in honor of Chaplain Wilson, the project reflects the Foundation’s commitment to caring for the emotional and spiritual well-being of our community.

# Early Detection *Connection.*

Through our connection events throughout the year, we provided free screenings to hundreds of neighbors—catching potential health issues early and connecting people with the care they need.

**Free Prostate Screenings**

**Free at Home Colorectal Kits**

**Heart Day Screenings**

**Pink Petal Party**

# Employee Giving Campaign

*Our collective giving creates a lasting impact.*

Through the Employee Giving Campaign, RMC team members continue to show the incredible impact of caring for one another. By giving through payroll deduction and participating in Foundation initiatives, employees helped support patient care, advanced technology, community outreach, and programs that strengthen our hospital from within.

Each gift — no matter the size — reflects a shared commitment to making a difference for the patients, families, and coworkers who depend on RMC every day.

# 29<sup>th</sup> Annual Golf Classic

The Foundation's Annual Golf Classic brought together community leaders, sponsors, golfers, and supporters for a memorable day on the course filled with fellowship, friendly competition, and a shared commitment to supporting healthcare in our community. With beautiful weather and incredible participation, this year's tournament was a tremendous success, raising more than \$120,000 in support of the Foundation's mission and the patients and programs we serve.

Throughout the day, golfers enjoyed exciting contests, great food, and opportunities to connect with fellow supporters while competing in challenges such as longest drive, closest to the pin, and putting contests. Participants also had the chance to win raffle prizes and enjoy time on the course alongside colleagues, friends, and community partners who all came together in support of a meaningful cause.

With record participation and overwhelming community support, the Golf Classic continues to showcase what can be accomplished when individuals and organizations unite to give back. The Foundation extends its sincere gratitude to our sponsors, volunteers, golfers, and staff whose generosity and dedication helped make this year's event such a success.

# Martha Vandervoort Memorial Scholarship

For the past decade, the RMC Foundation proudly hosted the Annual Garden Jubilee in honor of the Martha Vandervoort Scholarship, bringing our community together in celebration of generosity, service, and hope for future generations. Through this beloved event, we honored the life and legacy of Martha Vandervoort, a devoted Anniston philanthropist, while raising meaningful support for students across Calhoun County.

Now, we are proud to share a significant milestone: the Martha Vandervoort Memorial Scholarship is fully endowed. Because of the unwavering support of our community over the last ten years, this scholarship will continue in perpetuity, awarding a \$12,000 scholarship to a graduating senior who is going into the healthcare field, exemplifies leadership, and has a true servant's heart.

Over the years, ten outstanding students have been named Martha Vandervoort Scholars, each carrying forward a legacy of compassion and service. While the Garden Jubilee chapter has come to a close, its impact will continue to grow through the lives of the students it supports for generations to come.

# Donor Appreciation Dinner

The Foundation proudly hosted its annual Thank You Dinner, bringing together donors, supporters, hospital leadership, and community partners for an evening of gratitude and celebration. The event served as a meaningful opportunity to recognize the generosity and dedication of those who continue to make a lasting impact on patient care and community health initiatives throughout our region.

It was a wonderful evening filled with fellowship, reflection, and appreciation as guests gathered to celebrate the lives touched through the Foundation's mission. Attendees heard inspiring stories of impact and were recognized for their continued commitment to supporting programs, services, and initiatives that strengthen our hospital and community. The dinner was a heartfelt reminder of the power of generosity and partnership, and of the incredible difference that can be made when a community comes together in support of compassionate care.
